MEMORANDUM FOR: Director, FBIS
THROUGH : Chief, Operations Group
SUBJECT : Monthly Report--Abidjan Bureau--January 1982

I. GENERAL

An official U.S. Government trade and investment mission, headed by Secretary of Agriculture John Block and Secretary of Commerce Malcolm Baldrige, visited Abidjan from 10-12 January. The mission, which included approximately 50 representatives of U.S. commercial enterprises that do business abroad, was devoted to examining trade and investment opportunities in Ivory Coast. The bureau's participation in the mission's activities was limited but highly appreciated: We provided a Sony-330 receiver which enabled the mission's large contingent of NFL fans, including Secretary Block, to listen to the San Francisco-Dallas playoff game on Armed Forces Radio.

II. OPERATIONS

Monitorial/Editorial

Ghana continued to be the main focus of the bureau's attention as Flight Lieutenant Rawlings moved the country in an increasingly radical, pro-Libyan direction. The bureau mounted extra evening shifts on the first two weekends of the month, providing signon-to-signoff open watch coverage of Accra radio. After the radio returned to its pre-coup pattern of carrying news only during scheduled casts, the open watch was discontinued. However, the bureau has temporarily added to coverage all scheduled newscasts. Among the major items processed were several Rawlings speeches, names of the members of the ruling Provisional National Defense Council, and the new makeup of the country's cabinet. Throughout the month the fullest possible service was provided to the U.S. Embassy in Accra, which before the coup had not received FBIS material. In a message asking the bureau to continue this service until further notice, Ambassador Smith said: "The U.S. Mission Accra greatly appreciates FBIS Abidjan's detailed coverage of Ghanaian broadcasts beginning with the coup December 31. Your work is the equivalent of at least one full-time American position. In addition, we find the automatic permanent record invaluable." During the month the bureau filed over 100,000 words on Ghana alone, pushing the bureau file to a new record of over 252,000 words.
